SUMMARY

Full stack web developer looking to make my mark on the web. Detail-oriented and addicted to problem-solving. Background in beer and food production with a passion for creating the best possible product without sacrificing efficiency or consistency. Always seeking opportunities to hone my skills in JavaScript, CSS and HTML.

TECHNICAL SKILLS

Languages: JavaScript ES6, HTML, CSS, SQL

Applications: GitHub, Bootstrap, Node.js, MySQL, Express, Sequelize, Handlebars,

PROJECTS

moovie.pro | Github Repository: github.com/busy-boys/movie-master |

- Moovie.pro is a film search engine for comparing movie data.
- Role: Collaborated on the HTML skeleton of the application, as well as the CSS styling. Wrote the JavaScript needed to access the financial information of searched movies, as well as the code needed to calculate the budget and revenue information after being adjusted for inflation. Accessed the API used to locate streaming services.
- HTML, CSS, JavaScript, Bulma, GitHub

[Coach Roach](https://github.com/busy-boys/project-2) | Github Repository: <https://github.com/busy-boys/project-2> |

- Coach Roach is a record keeping platform that allows users to record coaching sessions in a range of different configurations. It focuses on easy record keeping with accountability for all stakeholders and easy tracking of users target goals.
- Role: Collaborated on setting up the back end functionality.
- Sequelize, Express.js, Node.js, MySQL, Axios.js, Charts.js, Bootstrap, Handlebars.js

EXPERIENCE

Kitchen Supervisor 2019 – 2021

Greenhorns Bar

Perth, WA

- Maintained high standards for food production and restaurant cleanliness over a difficult period (i.e. Covid)
- Managed inventory while reducing food costs to under 20%.
- Properly trained all new employees, resulting in consistently favorable ratings (4.5/5 on Google Reviews).

Brewery Labourer 2017-2019

Whitetooth Brewery

Golden, BC

- Ensured quality assurance by way of product testing.
- Maintained brewing equipment while meeting all health and safety requirements.
